TIME PILOT '84

FURTHER INTO UNKNOWN WORLD

TM

The Future Is Now

From the creators of Time Pilot, Gyryss and Track & Field— an original first edition conversion kit.
Where Time Pilot left off...

A THRILL TO LOOK AT, FUN TO PLAY !!

During enemy attack, fight back by locking the enemy into target with cursor, which guides your missiles to a direct hit

Beautiful color graphics illuminate the background of The Night Stage. You will clear this amazing stage by destroying the Large Airship

In the Last Stage, the enemy's Mothership will pursue you until you destroy her in a duel
